FOR IMMEDIATE RELEASE

July 22, 2011 – American Momentum Bank (“American Momentum”) announced today that it has entered into two agreements with the Federal Deposit Insurance Corporation (“FDIC”) to assume all deposits, substantially all of the assets, and certain liabilities of the banking operations of LandMark Bank of Florida (“LandMark”) and SouthShore Community Bank (“SouthShore”).

All depositors, including those with deposits in excess of the FDIC’s insurance limits, will automatically become depositors of American Momentum and their deposits will continue to be fully insured in accordance with FDIC regulations.

Sam Davis, President and Chief Operating Officer of American Momentum stated, “We are very excited about welcoming our new clients and associates. The LandMark and SouthShore acquisitions allow us to have a larger presence in Greater Sarasota and Apollo Beach /Sun City, which are very attractive markets as we continue to grow our footprint. Our new customers will be able to look forward to banking with a well capitalized and stable institution dedicated to the success of each individual,” Davis added.
